Feedback

Provide comments on style, recipe, process, and drinking pleasure. Include helpful suggestions to the brewer.

A clear looking Golden Ale which pours a white head which dissolves quickly, moderate carbonation and fresh mouthfeel.

Grassy and piney flavors of the hops dominate and give too much bitterness for the style.

Malt flavor is almost absent and hardly detectable.

Try to avoid adding too much hops for bittering and optimize in late hop additions and whirlpool/hopstand.

May need longer fermentation.
