

## Tasting Notes

Batch:	1	Brouwpunt - Witbier	
Date	Day #	Score	Notes
21-05-2020	0		Brew day
27-05-2020	6	2,75	Taster sample.
01-06-2020	11		Bottling day
14-06-2020	24	2,5	opened a half filled bottle, gave a small puff, poured hazy with some small bubbles and no foamy head, no lacing, slightly darker color than expected, tasted sour and boozy, very light carbonation.
05-07-2020	45	3	light foam which dissolves quickly, very light carbonation, little hint of orange, sour.
18-07-2020	58	2,75	cooled and served @ 11 C, light carbonation, no foam, sour taste.
07-08-2020	78	2,75	cooled and served @ 11 C, light carbonation, no foam, sour taste.
03-09-2020	105	2,75	cooled and served @ 11 C, light carbonation, no foam, sour taste.
18-09-2020	120	3	cooled and served @ 11 C, better carbonation, quick dissolving foam, sour taste.
03-10-2020	135	3	cooled and served @ 11 C, light foam which dissolves quickly, very light carbonation, little hint of orange, sour taste.
22-10-2020	154	2,75	cooled and served @ 11 C, light foam which dissolves quickly, very light carbonation, first taste is sour and aftertaste is a bit duh, probably past it's best before date.
30-10-2020	162	2,5	cooled and served @ 11 C, light foam which dissolves quickly, very light carbonation, first taste is sour and aftertaste is past it's best before date.
13-11-2020	176	3	cooled and served @ 11 C, light foam which dissolves quickly, very high carbonation, first taste is sour and aftertaste is past it's best before date.
21-11-2020	184	3	cooled and served @ 11 C, light foam which dissolves, very high carbonation, fresh dry mouthfeel and sweet/sour taste.
