## 06 SMaSH Citra v2

## Recipe Notes

Malt is ordered with standard crush @ The Malt Miller (https://www.themaltmiller.co.uk/). Lower hop-stand temperature for a longer period of time to preserve aromatics (hop in @ 70 C and hop out @ 60 C, or 40 minutes).

Slowly stir hops in hop stand, do not aerate (only aerate at lower temperatures). v2: use flat mineral water, adapt water agents.
